

Homework to do until the next meeting

1. Find some information about **the use of MOOCs** in your country and systematize that information into a 1 page word document;
 - you can include links to interesting sites;
 - try to include links to pages in your own language
2. Find some information about **Flipped Classroom methodology** in your country and systematize that information into a 1 page word document;
 - you can include links to interesting sites;
 - try to include links to pages in your own language
3. For the website:
 - Send a paragraph describing your institution; include, as images, its logo and main building; include the institution's website
 - Send a photo and a brief description about all elements of your team
4. Think on the following aspects:
 - If you wish a Workshop on PowerPoint animations
 - If you are going to use the flipped classroom methodology and to what level, or, if you are interested mainly in the video pedagogy
 - Decide if you wish to subtitle the videos of the MOOC or use your own language audio
5. Do a small evaluation of the produced MOOC
6. Translate the English script of the MOOC to your language OR create your own video (if you wish it to be in your own language)
